This is truly one of the best conferences I have attended. Three thumbs-up for the Trinity Family!
Richard Scott, Bermuda

The conference was a spiritual banquet. The praise and worship was absolutely celestial. I received new insights, and the co-ordination at every level was so meticulous. God bless this wonderful church!
Surani Elangasekere, Sri Lanka

My life has been greatly impacted to a new level! God has imparted to me a new attitude of serving, a heart of prayer and worship, and a lifestyle that will lead to multiplication and church growth. Thank you, Trinity!
Shane Marshall, Australia

The conference was excellent! We were taken care of extremely well, and the carecell that we visited was lovely. The humility of the pastors was a true blessing.
Paula Williams, Barbados

This has given me a new spring in my step and a new hope in my heart and I'm going back with a fairly clear idea of what God wants for our churches and how to do it. I've had an absolutely marvelous week and am living in hope of great things from God.
Ruth Allen, UK

The conference was a great time of learning for me. Trinity is a model church in unity, love, discipline, order, hospitality and in blessing others.
K. Sudhakar, India

The Story of Trinity Christian Centre

From a group of 10 people in 1969, Trinity Christian Centre has grown to more than 5,500 and has transformed into a church of global impact.

Trinity has a unique and systematic way of empowering and mobilising the laity in ministry. There is an integrated leadership track that develops a person from new convert to pastor. Most of Trinity's ministers are home-grown, having been raised and discipled in the local church. They in turn pastor and mentor over 1,000 lay leaders who have been trained and who are actively involved in nurturing new believers, providing pastoral care, as well as discipling and mentoring potential leaders.

Trinity is a model for many churches around the world, including the 35,000-strong New Life Assembly in Chennai, India.
